Taste circulates with Phileleftheros' Sunday issue – the leading newspaper in both readership and circulation figures - at a special price.

“ After 10 years of success, Taste Magazine is expanding and upgraded. With renewed and modern design, new additions to the subject and more pages, it launches its new publishing cycle with an even richer agenda.

A complete guide to taste and entertainment for sophisticated readers! Taste is addressed to all those who love to go out, good food, travel, and all that make our everyday life more beautiful. Emphasizing on the aesthetic harmony and functionality, with artistic photographs and editorial skills in the texts, the magazine informs its readers about what's new in gastronomy: with specialty-oriented guides, new arrivals in the dining area, travel themes from around the world as well as tasty food and drink suggestions.

At the same time, the big chefs in Cyprus trust the magazine and are hosted on its pages, while experienced collaborators present their original recipes in multi-page tributes.

Ten years later, Taste's specialized editorial team every month proves that the taste has never been so great! ”
