of local customers  
seeking to purchase  
your products  
or services**

**Congratulations! Your business is now listed for free  
on [Cyprus-is.com](http://Cyprus-is.com) the island's leading online  
business directory**

Together with all major companies and service providers in Cyprus you will benefit from our search engine-optimised and mobile friendly website, expertly designed, built and managed to **get you seen everywhere online.**

As prospective customers search online for a suitable company or service provider in their local area, **it is important they find your business quickly and easily.**

If you do not have a website, by listing in [Cyprus-is.com](http://Cyprus-is.com) you will get your business online with photos, contact details, descriptions, opening times, reviews etc.

Cyprus-is.com is affiliated with Phileleftheros Print and Multimedia Publishing Group. **Through both its websites, philenews.com (Greek) and in-cyprus.com (English), averaging over 9,000,000 visits per month, your listing stands a better-than-average chance of reaching a vast number of local customers seeking to purchase your products or services.**

**Your business listing will also be found in local google searches enabling you to reach even more customers.**

And with mobile optimisation, being listed on a website that works flawlessly across multiple devices is essential to keeping your business accessible to your customers.

**Remember that in 2014 over 30% of online sales were made via smartphones and tablets.**

Furthermore, with the help of GPS technology, users will be able to find the business, clinic or shop nearest to them.

### **So, you are not left behind!**
