The CyprusWeekly has pulled out all the stops to refresh its online presence to offer the most comprehensive news site possible. It is predominantly directed at an English-language audience relevant to those who live on the island or further afield. It is an essential link to your digital world keeping you one step ahead.

NEWS

Stay up-to-date with all the latest from Cyprus, breaking world news, top sports events, human interest, major economy stories and regular updates on what you need to know from the newsroom of The Cyprus Weekly. There is also opinion and analysis for the more discerning reader.

LIVING

Our revamped portal is the ideal gateway for visitors looking to explore Cyprus, whether they are already here and want to discover its natural beauties or are planning to travel here from abroad. The Enjoy Life section has a dedicated going out guide covering all events, movies, restaurants, bars and the best places to be. There's also hundreds of recipes on local dishes. Whether it's an art show, a concert or theatre, you'll be sure to find it.

TRAVEL

We also feature information on the island's best beaches, the main sites and local food and wine. Browse through our photo galleries to get a taste of what this magnificent island has to offer – archaeological treasures, nature trails, wine and ecclesiastical routes. The site also offers a comprehensive section on agro-tourism and rural Cyprus. There's useful practical information, ranging from transport to WiFi hot spots, entry requirements and customs. We've also compiled sections on special interest travel – including weddings, honeymoons, sports and conference tourism.

ONLINE BOOKINGS

Complete with a bookings option that offers visitors immediate access to bookcyprus.com and its vast array of accommodation choices, incyprus.com. cy aspires to help tourists plan the perfect stay on the island of Aphrodite. Our Book Cyprus window makes finding and reserving accommodation, flights or a car simple and fast.

PROPERTY

For those looking to perhaps extend their visit or to even make their move permanent, our findpropertyinCyprus link brings hundreds of listings from the biggest estate agents and developers in Cyprus under one roof to cater for those looking to buy or rent their new home, flat or commercial premises.

smartAIRdeals

Your new, personal travel guide is here! With the new smartAIRdeals service, you get your very own private guide who will help you compare lowest prices on airfares. You can find great deals flying from Larnaca and Paphos, and other airports around the world. We believe that travel experience should be affordable to all because travel is for everyone. We get offers from airline companies and travel booking websites and use them to find the best possible rates. Every six hours, we run a search to get the latest top budget-friendly flights and travel operators offering the lowest fares. In other words, when you see a great offer but you are not ready to grab it, you can always get the next one.
