THE MOST BEAUTIFUL HOUSES AT SINTHESEIS.COM

# sintheseis.com

The magazine «Sintheseis» with its 25 year history has the largest photographic archive available of houses and buildings built in Cyprus over the last few years as well as a wealth of material on the most remarkable homes, designed by internationally acclaimed architects, from neighbouring Israel to distant Brazil.

You now have the opportunity to access some of this material through your computer.

Sintheseis.com allows you to visit and examine room for room the most beautiful houses, giving you ideas as how to utilize space, materials and trends, atond find solutions for renovations, decorating, and furniture as well as listing retailers' locations.

The Sintheseis website which is updated on a daily basis, will offer you a chance to see buildings from their design phase through to their completion through a plan view. With a click of a button on the plan, you will be transported to each individual room as it appears in reality, complete and fully furnished. Quick and simple with the reliability of the 'Phileleftheros' Media Group.
